St. George's Ambulance Foundation has a resolve to run a foundation that is Non-governmental, non-ethnic, non-religious organization providing humanitarian and Charitable services to people. Our mission is to promote Welfare services to people, based on the principle of equality and justice to foster socio-economic development of Nigeria.

INTRODUCTION

St. George's Ambulance Foundation (SGAF) is non-governmental, Non-profit making charitable organization. Its activities are geared towards rendering selfless services to the people of our great country Nigeria and Africa Sub-region. It is principally inspired by the noble efforts of a group of volunteer professionals who have the vision to serve humanity, especially in emergency rescue by pooling their talents/resources together to save life. We:

- Pay strict attention to safety and adopt the ABC of resuscitation in case of any fainting attack or unconsciousness of any origin.
-
- Give priority to seriously injured casualties and treat multiple injuries in order or priority dealing with life threatening conditions.
- Relief any discomfort, pains or anxiety and finally arrange for appropriate medical attention where necessary.

For example, our agitation is needed by the urgent need to arrest want on carnage on the Nigeria roads were lives are lost ceaselessly due to glaring absence of an adequate rescue operation arrangement. This situation is further compounded by apparent apathy of some road users or lack of accident rescue orientation.
These anomalise are what we intend to address.

Objectives Of The Foundation

- To reduce death rate: emergency rescuing of accident victims on Nigeria roads (we preserve life).
- Sensitizing the public on how to attend and administer first aid treatment to accident victims (we worsening of condition).
- To mount aggressive campaign geared at reducing the spread of HIV/AIDS and encourage those living with the disease.
